Medicolegal Death Investigator
Frontier Forensics Midwest
Location: Kansas City, KS
www.forensicmed.com

Full time, Non-exempt
Day shift primarily
Occasional coverage for other shifts may be needed, on call, training, etc.

Position Summary:

Minimum Qualifications

Must be able to communicate effectively, both verbally and in writing. Requires knowledge of laws and standards of medicolegal investigation, anatomy, physiology, medical terminology, and standard forensic pathology practices. Certification from the American Board of Medicolegal Death Investigators is required within one year of hire date. Must be able to work in a fast-paced, team oriented environment.

Under the supervision of the Administrator, the Death Investigator is the entry level position that will initiate and conduct death investigations for the Medical Examiner's Office including but not limited to fielding phone calls from a variety of sources, including law enforcement, medical facilities, funeral homes and families; conducting investigations both remotely and on scene; gathering other pertinent information through medical records and other report requests, and assist with the preparation of necessary paperwork. This position may also be responsible for determining jurisdiction of the cases, coordinating transportation, donation, autopsy scheduling, and subpoenas; and other duties.

Education/Experience required

Master's Degree in related field or Bachelor's degree with three years of proven and documented experience in death investigation; and/or Licensed Paramedic/EMT with proven and documented experience. A college degree is preferred, however, any person with a current A.B.M.D.I. certification, in addition to, proven and documented experience in the field of medicolegal death investigation will be considered for the position.

Special Requirements

The selected applicants must pass a criminal background check, drug test and must possess a valid driver's license.

Company Profile: Frontier Forensics Midwest is a full service forensic pathology group providing medical examiner services; including death investigation, forensic autopsies, expert forensic testimony, and forensic management services for the Topeka and Kansas City, KS area.

Starting Salary: \$40K Min. Negotiable, dependent on level of experience.

Starting Date: August 2018

Benefits: Medical, Dental, Vision, Short and Long Term Disability
Vacation, 7 Paid Holidays
