Medicolegal Death Investigator
Frontier Forensics Midwest
Location: Kansas City, KS
www.forensicmed.com

Full time, Non-exempt
Day shift primarily with overnight on call coverage.
Occasional coverage for other shifts may be needed, training, etc.

Position Summary:

Minimum Qualifications

Must be able to communicate effectively, both verbally and written. Requires knowledge of laws and standards of medicolegal investigation, anatomy, physiology, medical terminology, and forensic pathology. Certification from the American Board of Medicolegal Death Investigators is required within one year of hire date. Must be able to work in a fast-paced, team oriented environment.

Under the supervision of the Administrator, the Death Investigator is the entry level position that will initiate and conduct death investigations for the Medical Examiner's Office. This position is responsible for fielding phone calls from law enforcement, hospital staff, families, funeral homes and others; gathering information related to decedents and investigations; determining jurisdiction of the case; conducting scene investigations through photography and written statements when required and in concert with law enforcement; assisting with the preparation of necessary paperwork and retrieving medical records and/or other necessary documents regarding decedents.

Education/Experience required

Master's Degree in related field or Bachelor's degree with three years of proven and documented experience in death investigation; and/or Licensed Paramedic/EMT with proven and documented experience. A college degree is preferred, however, any person with a current A.B.M.D.I. certification, in addition to, proven and documented experience in the field of medicolegal death investigation will be considered for the position.

Special Requirements

The selected applicants must pass a criminal background check, drug test and must possess a valid driver's license.

Company Profile: Frontier Forensics Midwest is a full service forensic pathology group providing medical examiner services; including death investigation, forensic autopsies, expert forensic testimony, and forensic management services for the Topeka and Kansas City, KS area and selected counties in Missouri.

Starting Salary: \$40K Min. Negotiable, dependent on level of experience.

Starting Date: May 2019

Benefits: Medical, Dental, Vision, Short Term Disability, Vacation, 7 Paid Holidays, 401(k).
