

EAST TENNESSEE STATE UNIVERSITY, DIVISION OF FORENSIC PATHOLOGY IS HIRING A MEDICOLEGAL DEATH INVESTIGATOR 2

Medicolegal Death Investigator 2 \$38,745.00-\$47,476.00*

About the position

The William L. Jenkins Forensic Center is seeking a fifth full time Medicolegal Death Investigator (MDI) to join a team of four full time Medicolegal Death Investigators.

The MDI position conducts investigations into deaths that are reported to the forensic center/medical examiner's office by gathering pertinent circumstantial, historical and other medicolegal data to facilitate the acceptance or termination of jurisdiction. This position includes death investigation/scene investigation, scene photography, evidence preservation/collection, and the securing of personal effects/belongings of the decedent. This position will aid the forensic pathologist in identification of the deceased, and perform death certificate reviews for cremation permits to ensure proper investigation by the medical examiner's office, and other duties as required or assigned.

This position is contingent upon grant funding that has been provided since the start of the program in the early 1980's.

Successful candidates should have a demonstrated commitment and contribution to fostering and advancing equity, diversity and inclusion. East Tennessee State University (ETSU) is an Equal Opportunity/Affirmative Action employer.
