

EAST TENNESSEE STATE UNIVERSITY, DIVISION OF FORENSIC PATHOLOGY IS HIRING A MEDICOLEGAL DEATH INVESTIGATOR 1 or 2 (depending on qualifications)

Medicolegal Death Investigator 1 (level 9):
\$48,285

Medicolegal Death Investigator 2 (level 10):
\$60,415

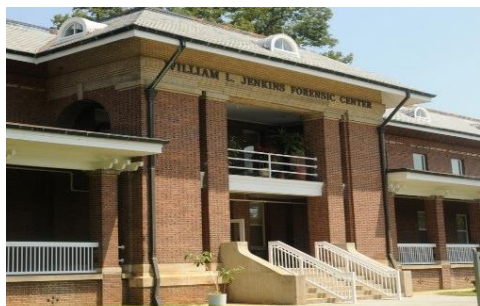

About the position

The William L. Jenkins Forensic Center is seeking a fifth full time Medicolegal Death Investigator (MDI) to join a team of four full time Medicolegal Death Investigators.

The MDI position conducts investigations into deaths that are reported to the forensic center/medical examiner's office by gathering pertinent circumstantial, historical and other medicolegal data to facilitate the acceptance or termination of jurisdiction. This position includes death investigation/scene investigation, scene photography, evidence preservation/collection, and the securing of personal effects/belongings of the decedent. This position will aid the forensic pathologist in identification of the deceased, and perform death certificate reviews for cremation permits to ensure proper investigation by the medical examiner's office, and other duties as required or assigned.

This position is contingent upon grant funding that has been provided since the start of the program in the early 1980's.

ETSU is committed to ensuring that our students, faculty, and staff are valued and work in an environment of openness and acceptance. ETSU is an Equal Opportunity/Affirmative Action employer.
